Ayşenur Aydın *Frontend Developer*

📍 Bursa, TÜRKİYE   ✉ aydin.aysenur016@gmail.com   in /aysenuraydin16   🐙 /aysenur-aydin   🔗 aysenuraydin-portfolio
PROFILE

With an engineering background and a passion for frontend development, I specialize in crafting interactive web interfaces with a strong focus on UI/UX. Skilled in JavaScript, jQuery, and modern frameworks. I build high-performance, responsive, and user-friendly solutions. I have hands-on experience in real-time data visualization and scalable UI design while prioritizing usability, aesthetics, and functionality.

SKILLS

Web Development | Responsive Design | HTML | CSS | JavaScript | TypeScript | Next.js | React | Redux | Axios | React Native | ApexCharts | JointJs | Bootstrap | Tailwind | Git | GitHub | Figma | UI/UX
WORK EXPERIENCE

**Frontend Engineer,** *END Solution* 🔗   10/2023 – 03/2025
                                                                              Bursa, Türkiye
- Designed and developed dynamic, interactive web interfaces for industrial facilities, ensuring seamless user experiences.
- Created responsive and visually appealing user interfaces using Bootstrap and CSS, optimized for cross-device compatibility.
- Developed real-time data visualization dashboards for improving data accessibility and analysis.
- Designed and implemented MES, SCADA and HMI screens for industrial applications, enabling efficient monitoring and control of operations.

Design & Project Engineer, *Fabricon* 🔗   07/2021 – 04/2022
                                                                              Bursa, Türkiye
- Utilized AutoCAD to design architectural projects, to ensure all relevant regulations and standards are met.
